

MALNUTRITION QUALITY
IMPROVEMENT INITIATIVE

Appendix 5: MQii Guiding Principles

The design and implementation of the MQii are based on several guiding principles. The guiding principles provide a snapshot of the overall intention of the MQii, and should be used as a reference as sites employ different approaches to support the uptake of the clinical workflow and other components of the toolkit.

MALNUTRITION QUALITY
IMPROVEMENT INITIATIVE

These materials were developed by the Malnutrition Quality Improvement Initiative (MQii), a project of the Academy of Nutrition and Dietetics, Avalere Health, and other stakeholders who provided guidance and expertise through a collaborative partnership. Support provided by Abbott.
